### BIRTHDAY PARTIES - SPEND IT WITH FIVE STAR

Birthdays are truly special occasions to children and we offer that unique and unforgettable Birthday Party! We provide gymnastics, games and fun activities, under the direction of a trained instructor for 90 minutes, followed by 30 minutes in our viewing area for food and presents. Parents need to supply birthday cake, refreshments and paper goods.

### OUR PHILOSOPHY

Gymnastics is one of the most fundamental and exciting of all physical activities. Gymnastics builds physical fitness, strength, body awareness and co-ordination essential for other sports and activities.
